(Note: To enter the high brightness mode, press and hold “MODE” button for 5 seconds. The unit will revert to single fast flash pattern. To exit the high brightness mode, press the “MODE” button again

LIGHT SENSOR OPTIONS

Press the “Light Sensor” button for 5 seconds. The strobe will illuminate in a “Steady On” pattern for a short time. This indicates that the light sensor has been activated and now working.

Press the “Light Sensor” button one time to turn the off the light sensor.

If the light sensor has been activated, the strobe will automatically turn off during day and turn on at night.

If the light sensor has been turned off, the strobe will continue working as per normal until turned off manually by pressing the power button.

HOW TO REPLACE BATTERY

1. Remove the base directly by turning it anticlockwise (pic.1)
2. Take the old batteries out and disconnect them (pic.2)
3. Install the new batteries as shown on the right (pic.3), Please pay attention to the positive and negative terminals on the connector.
4. Close the base tightly by turning it in a clockwise direction (pic.4)

Note: Please ensure the wires are not caught on anything when re-installing them.

WARRANTY STATEMENT

APPLICABLE ONLY TO PRODUCT SOLD IN AUSTRALIA

Brown & Watson International Pty Ltd of 1500 Ferntree Gully Road, Knoxfield, Vic., telephone (03) 9730 6000, fax (03) 9730 6050, warrants that all products described in its current catalogue (save and except for all bulbs and lenses whether made of glass or some other substance) will under normal use and service be free of failures in material and workmanship for a period of one (1) year (unless this period has been extended as indicated elsewhere) from the date of the original purchase by the consumer as marked on the invoice. This warranty does not cover ordinary wear and tear, abuse, alteration of products or damage caused by the consumer.

To make a warranty claim the consumer must deliver the product at their cost to the original place of purchase or to any other place which may be nominated by either BWI or the retailer from where the product was bought in order that a warranty assessment may be performed. The consumer must also deliver the original invoice evidencing the date and place of purchase together with an explanation in writing as to the nature of the claim.

In the event that the claim is determined to be for a minor failure of the product then BWI reserves the right to repair or replace it at its discretion. In the event that a major failure is determined the consumer will be entitled to a replacement or a refund as well as compensation for any other reasonably foreseeable loss or damage.

This warranty is in addition to any other rights or remedies that the consumer may have under State or Federal legislation.

IMPORTANT NOTE

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
